REQUEST FOR CORRECTION OF TITLE

Alexandria VA 22313-1450

Sir:

The title for this application was changed by Examiner's Amendment dated June 8, 2004 to "Polymer Matrix Containing Catalase Co-Immobilized With Analytic Enzyme That Generates Hydrogen Peroxide." However, the Notice of Allowance shows the second word of the title as "Marix" rather than "Matrix." The "t" is missing from the word "Matrix."

Please correct the second word of the title to "Matrix" before issuance of the patent.

Respectfully,
MALLINCKRODT & MALLINCKRODT
